

From Waste to Resource: Circular Economies for Construction Spoil Clay Schedule

Time	Activity	Details
9:30	Arrival and registration	
10	Welcome	Clare Wood – Artistic Director & CEO, BCB
10:10-10:30	From Waste to Resource: Research Overview	Claire Baily - Clay Researcher, BCB
10:30-11	Exploring our Material Future: From Sustainability, to Circularity, Regeneration and beyond	Caroline Till - Executive Director & Co-Founder FranklinTill
11 – 11:15	Break	
11:20 – 11:50	Beneath our Feet: Exploring the Value of Soil	John Quinton - Professor of Soil Science, Lancaster University
11:55 – 12:55	Networks of Re-use Panel and Q&A	<ul style="list-style-type: none"> • Sara Howard - Circular Ceramics Designer, Sara Howard Studio / Golden Earth Studio • Freya Bruce - Co-Founder, Recollective • Victor Pedrosa - Co-Founder, Rescued Clay • Chair: Sarah King - Founder, Earthli Projects
1 - 2	Lunch	
2 – 2:15	Circularity in Practice : Design	Bahbak Hashemi-Nezhad - Designer Rafael El Baz - Designer
2:20 – 3:50	Circularity in Practice: Architecture Panel and Q&A	<ul style="list-style-type: none"> • Rowland Keable - CEO, Earth Building UK and Ireland • Emaad Damda - Associate Architect, Tuckey Design Studio • Ben Bosence - Director, Local Works Studio • Chair: Joe Jack Williams - Head of Regenerative Strategy, Bywater
3:50 – 4:10	Break	
4:10 – 4:40	Innovation : Excavation waste London Clay utilisation in Concrete Applications (Ex-Clay)	Apostolos Tsoumelekas - Materials Engineering Manager, SCS Railways
4:40 – 5:20	Innovation: BC Materials, Belgium	Ken de Cooman - Co-Founder & Director, BC Materials
5:20 – 5:30	Closing Remarks
